

Reportaje Feria Todomotor Ejea 2014 2ª parte

Escrito por Juanito-124 - 20/07/2014 15:14

Hola de nuevo, foreros y foreras, comienzo con la segunda parte del reportaje...

Una vez hemos visto el museo Aquagraria, regresamos a las afueras de Ejea, frente al Lidl, donde volveremos a estacionar los vehículos, y nos iremos a comer...

Horas mas tarde, volvemos de nuevo al recinto ferial

Veamos que coches antiguos hay por los alrededores...

Esta vez toca ver la feria Todomotor Ejea 2014, dedicada a los vehículos clásicos, donde se podían encontrar restauraciones, exposiciones, recambios...

Los coches están repartidos por diferentes grupos o stands, como en la mayoría de las ferias...

Os dejo un "porron" de fotos que hice dentro de las instalaciones:
