Y aqui termina mi reportaje, publicar las fotos de 20 en 20 es lo que menos cuesta, el problema es hacerlas, redimensionar las 255 fotos y luego ir subiendolas de 10 en 10, guardandose los enlaces y vigilando en que no te hayas equivocado en alguno o en algun numero, mil cosas, por eso digo que preparar todo esto supone un gran esfuerzo y lo hago por hobby mas que nada, espero que os guste y a ver si puedo ir al año que viene... 8)

Un Saludo :)
